Quarantined Without Coffee?

We know that can be dangerous and we want to keep you safe. :) We're Safe Yakima Valley. Whether you are helping to flatten the curve by staying home, or you are an essential worker or healthcare provider, we want to make sure you are able to enjoy freshly roasted coffee. As a fundraiser for Safe Yakima Valley, we're excited to partner with MAK Daddy coffee to deliver fresh roasted Safe Yakima Valley blend whole or ground beans to your office or home
